## EXPLANATORY STATEMENT

---

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

---

### 1. RESOLUTION 1: APPROVAL TO ISSUE SECURITIES TO HONGKONG AUSINO FOR TRANCHE 2 OF PLACEMENT

#### 1.1 Background

As announced to the market on 18 April 2019, the Company received commitments to raise up to \$7 million (before costs) through the issue of up to 46.67 million Shares at an issue price of \$0.15 per Share (**Placement**). The Placement was supported by a number of institutional, sophisticated and professional investors.

The funds raised through the Placement are to be used to advance the Abujar Gold Project in Côte d'Ivoire (**Project**), including ongoing 30,000m diamond and RC drilling program to grow the existing resource base, additional metallurgical testwork, a further mineral resource estimate update targeted for Q4 of 2019, a 25,000m auger and aircore drilling program on regional targets and for working capital purposes.

The Placement was to be completed through 2 tranches. On 1 May 2019 the Company completed tranche 1 of the Capital Raising of \$4.5 million through the placement of 30,333,337 Shares at an issue price of \$0.15 per Share to institutional, sophisticated and professional investors.

The ratification of Shares under Tranche 1 are the subject of Resolutions 2 and 3 of this Notice of Meeting.

As part of tranche 2 of the Placement, the Company entered into a share subscription agreement with Hongkong Ausino Investment Limited (**Hongkong Ausino**), an entity controlled by geologist Dr Minlu Fu to place up to \$2 million of Tietto Shares (**Subscription Agreement**) in consideration for Hongkong Ausino in satisfaction of operational costs incurred by Hongkong Ausino on the Company's projects.

The Tietto securities to be issued to Hongkong Ausino under the Subscription Agreement includes the following:

- (a) (**Placement Options**) 5,000,000 Options with an issue price of \$0.001 per Option, exercisable at \$0.20 expiring three years after the grant date; and
- (b) (**Nominated Subscription Shares**): a nominated amount of Tietto Shares (at a deemed issue price of \$0.15 per Tietto Share) equal to outstanding payments made by Hongkong Ausino on the Company's behalf, in full satisfaction of those payments of up to \$2 million,

(together, the **Consideration Securities**).

In accordance with the Subscription Agreement, the Company has the right to issue Nominated Subscription Shares in consideration of up to \$2 million of operating expenses for a period of 18 months from the date of the Subscription Agreement (**Nominated Subscription Shares Period**). The Company intends to use the Subscription Agreement to cover operating expenses such as drilling consumables and wages of drilling staff. While there are no limits to the number of times that the Company can exercise its right to issue Nominated Subscription Shares in full satisfaction of outstanding payments (provided in aggregate the amount does not exceed \$2 million), it is the Company's current intention to do so on a quarterly basis.

Since entering into the Subscription Agreement, Hongkong Ausino has made payments on behalf of the Company totalling \$605,585 and the Company has issued 4,037,230 ordinary shares at a deemed issue price of \$0.15 per Tietto Share in satisfaction of this payment.

Under the Subscription Agreement, the issue of Consideration Securities is conditional on the Company receiving shareholder approval, if required. Resolution 1 therefore seeks the required shareholder approval for the issue of the Consideration Securities as defined above.

Accordingly, under Resolution 1, the Company proposes to issue 9,296,104 fully paid ordinary Shares, being the total maximum amount of Nominated Subscription Shares of 13,333,334 Shares to be issued under the Subscription Agreement less the 4,037,230 Shares already issued under the facility on 13 June 2019 (the subject of Resolution 6) at a deemed issue price of \$0.15 per Share and 5,000,000 Placement Options.

## **1.2 Regulatory Requirements**

Listing Rule 7.1 provides that, unless an exemption applies, a company must not, without prior approval of shareholders, issue or agree to issue Equity Securities if the Equity Securities will in themselves or when aggregated with the Equity Securities issued by the company during the previous 12 months, exceed 15% of the number of ordinary securities on issue at the commencement of that 12 month period.

The issue of Shares pursuant to Resolution 1 will not, if Shareholders approve the issue, be included in the 15% limit and therefore approval of Resolution 1 will minimise the restrictive effect of Listing Rule 7.1 on any further issues by the Company of Equity Securities in the next 12 months.

The securities proposed to be issued, for which approval is sought under Resolution 1, comprise 0.04% of the Company's fully diluted issued capital (based on the number of Shares and Options on issue as at the date of this Notice of General Meeting).

In compliance with the information requirements of Listing Rule 7.3, Shareholders are advised of the following information:

(a) **Maximum number of securities to be issued**

9,296,104 Shares. This maximum number is based on a possible deemed issue price of \$0.15 per Share.

5,000,000 Placement Options.

(b) **Date of issue**

The Company intends to issue Shares progressively and no later than 5 business days after the Nominated Subscription Shares Period. The Company has been granted a waiver from ASX to allow for the issue of these Nominated Subscription Shares outside the 3 month requirement pursuant to listing rule 7.3.2 on the following conditions:

(i) the Nominated Subscription Shares are issued no later than 4 December 2020 (being 18 months from the date of the Subscription Agreement);

(ii) for any annual reporting period during which the Nominated Subscription Shares are issued or any of them remain to be issued, the Company's annual report sets out in detail the number of Nominated Subscription Shares issued during the reporting period, the number that remain to be issued and the basis on which they may be issued;

- (iii) in any half year or quarterly report for a period during which the Nominated Subscription Shares are issued or remain to be issued, the Company includes a summary statement of the number issued during the reporting period, and the number that remain to be issued and the basis on which they may be issued; and
- (iv) the Notice of Meeting contains the full terms and conditions of the Nominated Subscription Shares as well as the conditions of this waiver.

The Company intends to issue the Placement Options after the Meeting and in any event not later than 3 months after the date of the General Meeting (or such later date as permitted by ASX waiver or modification of the Listing Rules).

(c) **The price at which the securities will be issued.**

The Nominated Subscription Shares will be issued at a deemed issue price of \$0.15 per Share.

The Placement Options will be issued at an issue price of \$0.001 per Placement Option.

(d) **The names of the persons to whom the entity will issue the securities or the basis on which those persons will be determined**

The Nominated Subscription Shares and Placement Options will be issued to Hongkong Ausino (or its nominee). Hongkong Ausino is not and will not be a related party of the Company (or associates of such persons) at any time during the Nominated Subscription Shares Period.

(e) **Terms of the securities**

The Nominated Subscription Shares will rank equally with all existing Shares and the Company will apply to ASX for official quotation of the Nominated Subscription Shares.

The Placement Options will be exercisable at \$0.20 each and are issued on the terms set out in Schedule 1 and the Company will not apply to ASX for official quotation of the Placement Options. Any Shares issued on exercise of the Placement Options will be fully paid ordinary Shares on the same terms and conditions as the Company's existing Shares

(f) **Use of funds.**

No funds will be raised from this issue as the issue of Nominated Subscription Shares is in consideration for operating costs incurred by the Company in operating and developing the Project

The funds raised from the Placement Options will be used towards the costs of the Placement. Funds received from the exercise of the Placement Options will be applied to general working capital.

(g) **Voting exclusion statement**

A voting exclusion statement for Resolution 1 is included in the Notice of General Meeting preceding this Explanatory Statement.

### 1.3 Board Recommendation

The Board believes that the proposed issue is beneficial for the Company and recommends Shareholders vote in favour of the Resolution. It will allow the Company to retain the flexibility

to issue further Equity Securities representing up to 15% of the Company's share capital during the next 12 months.

---

## **2. RESOLUTION 2 AND 3: RATIFICATION OF PRIOR ISSUES**

### **2.1 Background**

As discussed at section 1.1 of this Explanatory Statement, the Company announced as part of the Placement two tranches.

Resolutions 2 and 3 seek ratification of the placement of 30,333,337 Shares at an issue price of \$0.15 per Share on 1 May 2019 issued under Tranche 1 of the Capital Raising raising \$4.5 million.

Of the 30,333,337 Shares issued, a total of 8,561,845 Shares were issued pursuant to Listing Rule 7.1 and 21,777,492 Shares were issued pursuant to Listing Rule 7.1A.

The purpose of Resolutions 2 and 3 is for Shareholders to ratify the issue of 30,333,337 Shares which was undertaken by way of a Placement to institutional, sophisticated and professional investors without Shareholder approval.

### **2.2 Regulatory Requirements**

Listing Rule 7.1 provides that, unless an exemption applies, a company must not, without prior approval of shareholders, issue or agree to issue Equity Securities if the Equity Securities will in themselves or when aggregated with the ordinary securities issued by the company during the previous 12 months, exceed 15% of the number of ordinary securities on issue at the commencement of that 12 month period.

Listing Rule 7.4 states that an issue by a company of securities made without approval under Listing Rule 7.1 is treated as having been made with approval for the purpose of Listing Rule 7.1 if the issue did not breach Listing Rule 7.1 and the company's members subsequently approve it.

Listing Rule 7.1A provides that in addition to issues permitted without prior shareholder approval under Listing Rule 7.1, an entity that is eligible and obtains shareholder approval under Listing Rule 7.1A may issue or agree to issue during the period the approval is valid a number of Equity Securities which represents 10% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period as adjusted in accordance with the formula in Listing Rule 7.1. Listing Rule 7.4 provides that a company may reinstate its capacity to issue up to an additional 10% under Listing Rule 7.1A if shareholders ratify the previous issue of securities.

Accordingly, under Resolutions 2 and 3, the Company seeks from Shareholders approval for, and ratification of, the issue of a total of 30,333,337 Shares to institutional, sophisticated and professional investors, comprising the following:

- (a) **Resolution 2:** 8,561,845 Shares were issued pursuant to Listing Rule 7.1; and
- (b) **Resolution 3:** 21,777,492 Shares were issued pursuant to Listing Rule 7.1A.

The Shares issued, for which approval and ratification is sought under Resolution 2 and 3, comprise 9.09% of the Company's fully diluted issued capital (based on the number of Shares and Options on issue as at the date of this Notice of General Meeting).

## 2.3 Technical information required by ASX Listing Rule 7.5

---

## **4. RESOLUTION 5: PARTICIPATION OF DIRECTOR FRANCIS HARPER IN THE PLACEMENT**

### **4.1 Background**

As detailed in the Explanatory Statement for Resolution 1, at section 1.1, the Company is proposing to undertake the Placement for the purposes of raising funds advance the Project.

Resolution 5 seeks approval to issue Shares under the Placement to a Director of the Company, Mr Francis Harper, or his respective nominees, should he elect to subscribe for Shares under the Placement.

### **4.2 Listing Rules**

Listing Rule 10.11 provides that, unless a specified exception applies, a company must not issue or agree to issue securities to a related party without the approval of ordinary shareholders. A "related party", for the purposes of the Listing Rules, has the meaning given to it in the Corporations Act, and includes the directors of a company.

As such, Shareholder approval is sought under Listing Rule 10.11 as Resolution 5 proposes the issue of 1,000,000 Shares under the Placement to a Director of the Company, who is a related party of the Company by virtue of his directorship.

As Shareholder approval is being sought under Listing Rule 10.11, approval is not also required under Listing Rule 7.1.

#### **4.3 Listing Rule 10.13**

In compliance with the information requirements of Listing Rule 10.13, Shareholders are advised of the following information:

(a) **Name of person to receive securities**

The Shares will be issued to Mr Francis Harper (or his respective nominees).

(b) **Maximum number of securities to be issued**

The maximum number of Shares that may be acquired by Mr Francis Harper under Resolution 4 is 1,000,000.

(c) **Date of issue**

The Shares will be issued no later than 1 month after the date of the General Meeting (or such later date as permitted by ASX waiver or modification of the Listing Rules).

The Company will apply to ASX for official quotation of the Shares.

(g) **Intended use of the funds raised**

The purpose of the issue is to raise funds in connection with the Placement. The intended use of the funds raised under the issue is to advance the Project and for working capital purposes.

(h) **Voting exclusion statement**

A voting exclusion statement for Resolution 4 is included in the Notice of General Meeting preceding this Explanatory Statement.

#### **4.4 Regulatory Requirements: Corporations Act**

Chapter 2E of the Corporations Act regulates the provision of "financial benefits" to "related parties" by a public company. Chapter 2E prohibits a public company from giving a financial benefit to a related party of the public company unless either:

- (a) the giving of the financial benefit falls within one of the nominated exceptions to the provisions; or

(b) prior shareholder approval is obtained to the giving of the financial benefit.

A “related party” is widely defined under the Corporations Act and includes the directors of the company. As such, the Directors of the Company are related parties of the Company for the purposes of Section 208 of the Corporations Act.

A “financial benefit” is construed widely and in determining whether a financial benefit is being given, Section 229 of the Corporations Act requires that any consideration that is given is disregarded, even if the consideration is adequate. It is necessary to look at the economic and commercial substance and the effect of the transaction in determining the financial benefit. Section 229 of the Corporations Act includes as an example of a financial benefit, the issuing of securities or the granting of an option to a related party.

The issue of the Shares under Resolution 5 constitutes the provision of a financial benefit to a related party.

One of the nominated exceptions to the requirement to obtain shareholder approval under Chapter 2E of the Corporations Act is where the provision of the financial benefit is on terms that would be reasonable in the circumstances if the Company and the related party were dealing at arm’s length (or on terms less favourable than arm’s length). Given the Mr Harper will be participating in the Placement on the same arm’s length terms as the parties who are not related parties of the Company, the Board considers the issue of Shares under Resolution 5 to constitute provision of a financial benefit on arm’s length terms, and accordingly that Shareholder approval under Chapter 2E of the Corporations Act is not required.

#### **4.5 Board Recommendation**

The Directors do not consider that from an economic and commercial point of view, there are any costs or detriments, including opportunity costs or taxation consequences for the Company or benefits foregone by the Company in granting the Shares to Mr Francis Harper pursuant to this Resolution 5.

The Directors, other than Mr Francis Harper who has a material personal interest in the outcome of Resolution 5, recommend that Shareholders vote in favour of Resolution 4 on the basis that the grant of the Shares will allow the Company to adequately reward and incentivise Mr Francis Harper whilst preserving the Company’s limited cash reserves.

Mr Francis Harper has a material personal interest in the outcome of Resolution 5 and accordingly does not make a voting recommendation to Shareholders.

## **5. RESOLUTION 6: APPROVAL TO ISSUE BROKER OPTIONS TO FRANCIS HARPER**

### **5.1 BACKGROUND**

The Company proposes to issue 2,500,000 Broker Options, be equal to approximately 0.9% of the Company’s fully-diluted share capital assuming no further issues of securities by the Company.

## 5.2 Listing Rules

Listing Rule 10.11 provides that, unless a specified exception applies, a company must not issue or agree to issue securities to a related party without the approval of ordinary shareholders. A “related party”, for the purposes of the Listing Rules, has the meaning given to it in the Corporations Act, and includes the directors of a company.

As such, Shareholder approval is sought under Listing Rule 10.11 as Resolution 5 proposes the issue of Options to Mr Francis Harper, who is a related party of the Company by virtue of his directorship.

As Shareholder approval is being sought under Listing Rule 10.11, approval is not also required under Listing Rule 7.1.

## 5.3 Listing Rule 10.13

In compliance with the information requirements of Listing Rule 10.13, Shareholders are advised of the following information:

(a) **Name of person to receive securities**

The Broker Options will be issued to Mr Francis Harper (or his respective nominees).

(b) **Maximum number of securities to be issued**

The maximum number of Broker Options that may be acquired by Mr Francis Harper under Resolution 5 is 2,500,000.

(c) **Date of issue**

The Broker Options will be issued no later than 1 month after the date of the General Meeting (or such later date as permitted by ASX waiver or modification of the Listing Rules).

#### **5.4 Regulatory Requirements: Corporations Act**

A summary of the Corporations Act requirements is set out in section 4.4 of this Notice.

The issue of the Broker Options under Resolution 6 constitutes the provision of a financial benefit to a related party.

One of the nominated exceptions to the requirement to obtain shareholder approval under Chapter 2E of the Corporations Act is where the provision of the financial benefit is on terms that would be reasonable in the circumstances if the Company if the Company and the related party were dealing at arm's length (or on terms less favourable than arm's length).

The financial benefit under Resolution 6 is being provided to Blackwood on the basis of their services provided in relation to the Placement. Mr Francis Harper is to receive the Options in his capacity as director of Blackwood and not in his capacity as director of the Company and as such the issue of Broker Options is reasonable in the circumstances and is at arm's length in accordance with section 210 of the Corporations Act.

Accordingly, Shareholder approval under Chapter 2E of the Corporations Act is not required.

#### **5.5 Board Recommendation**

The Directors do not consider that from an economic and commercial point of view, there are any costs or detriments, including opportunity costs or taxation consequences for the Company or benefits foregone by the Company in granting the Broker Options to Mr Francis Harper pursuant to this Resolution 6.

The Directors, other than Mr Francis Harper who has a material personal interest in the outcome of Resolution 6, recommend that Shareholders vote in favour of Resolution 6 on the basis that the grant of the Broker Options will allow the Company to adequately reward Mr Francis Harper, in his role as a director of Blackwood, whilst preserving the Company's limited cash reserves.

Mr Francis Harper has a material personal interest in the outcome of Resolution 6 and accordingly does not make a voting recommendation to Shareholders.

### **6. RESOLUTION 7: RATIFICATION OF PRIOR ISSUE – HONGKONG AUSINO SUBSCRIPTION SHARES**

#### **6.1 Background**

As set out in section 1.1 above, the Company has entered into a share Subscription Agreement with Hongkong Ausino to place up to \$2 million of Tietto Shares in consideration for Hongkong Ausino in satisfaction of operational costs incurred by Hongkong Ausino on the Company's projects.

Since entering into the Subscription Agreement, Hongkong Ausino has made payments on behalf of the Company totalling \$605,585 and the Company has issued 4,037,230 ordinary shares at a deemed issue price of \$0.15 per Tietto Share in satisfaction of this payment on 13 June 2019.

The Shares were issued pursuant to the Company's placement capacity under Listing Rule 7.1. ASX Listing Rule 7.1 provides that a company must not, subject to certain exceptions, issue or agree to issue more equity securities in any 12 month period other than the amount which is equal to 15% of its fully paid ordinary securities on issue at the start of that 12 month period.

ASX Listing Rule 7.4 provides that an issue of securities made without approval under Listing Rule 7.1 will be treated as having been made with shareholder approval for the purposes of that Listing Rule if shareholders subsequently ratify it and the issue did not breach Listing Rule 7.1.

Without shareholder approval pursuant to Listing Rule 7.4, the issues will be counted towards the Company's 15% share issue capacity and will therefore reduce the Company's capacity to issue securities in the future without obtaining shareholder approval.

Accordingly, Resolution 6 seeks shareholder approval to allow the Company to refresh its 15% share issue capacity.

## **6.2 Technical information required by ASX Listing Rule 7.5**

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to Resolution 7:

- (d) the Shares were issued to Hongkong Ausino Investment Limited which is not a related party of the Company;
- (e) funds raised from the issue of the Shares were used to settle payments incurred by the Company including the purchase of a drill rig and consumables; and
- (f) a voting exclusion statement for Resolution 7 is included in the Notice of General Meeting preceding this Explanatory Statement.

## **6.3 Board Recommendation**

The directors of the Company unanimously recommend that shareholders vote in favour of Resolution 7. The Chairman of the Meeting will be casting undirected proxies in favour of this Resolution.

## **7. RESOLUTION 8: RATIFICATION OF PRIOR ISSUE – HONGKONG AUSINO SUBSCRIPTION SHARES**

### **7.1 Background**

On 8 March 2018 the Company announced to ASX that it had entered into a share subscription agreement with Hongkong Ausino Investment Limited (**Hongkong Ausino**), an entity controlled by acclaimed geologist Dr Minlu Fu to place up to \$1.5 million of Tietto Shares (**Initial Subscription Agreement**).

On 8 November 2018, at the Company's annual general meeting, Shareholders ratified a total of 1,505,511 Shares under the Initial Subscription Agreement. Since the 2018 annual general meeting, the Company has made the following issue of shares pursuant to the Initial Subscription Agreement:

- 4,313,763 Shares issued on 2 January 2019 in settlement of expenses totalling \$307,877;
- 2,741,327 Shares issued on 22 February 2019 in settlement of expenses totalling \$218,785; and
- 296,436 Shares issued on 13 June 2019 in settlement of expenses totalling \$39,222

(together, the **Settlement Shares**).

The Settlement Shares were issued pursuant to the Company's placement capacity under Listing Rule 7.1. ASX Listing Rule 7.1 provides that a company must not, subject to certain exceptions, issue or agree to issue more equity securities in any 12 month period other than the amount which is equal to 15% of its fully paid ordinary securities on issue at the start of that 12 month period ("15% share issue capacity").

ASX Listing Rule 7.4 provides that an issue of securities made without approval under Listing Rule 7.1 will be treated as having been made with shareholder approval for the purposes of that Listing Rule if shareholders subsequently ratify it and the issue did not breach Listing Rule 7.1.

Without shareholder approval pursuant to Listing Rule 7.4, the issues will be counted towards the Company's 15% share issue capacity and will therefore reduce the Company's capacity to issue securities in the future without obtaining shareholder approval. Accordingly, Resolution 8 seeks shareholder approval to allow the Company to refresh its 15% share issue capacity.

## **7.2 Technical information required by ASX Listing Rule 7.5**

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to Resolution 8:

- (a) A total of 10,316,944 Settlement Shares were issued at a weighted average price of \$0.079 per Settlement Share;

Accordingly, the Company is proposing, subject to obtaining Shareholder approval, to issue the Director Securities to the Mr Paul Kitto (or his nominees) under the Long Term Incentive Plan, the key terms of which are set out in Schedule 3.

In determining Mr Paul Kitto's remuneration package, including this proposed issue of Director Securities under the Long Term Incentive Plan, the Board considered the scope of the Mr Kitto's role, the business challenges facing Tietto and market practice for the remuneration of officers in positions of similar responsibility. Accordingly, they determine this proposed grant of Director Securities is appropriate.

### **8.3 Regulatory Requirements: Corporations Act**

A summary of the Corporations Act requirements is set out in section 4.4 of this Notice.

The issue of the Director Securities under Resolution 9 constitutes the provision of a financial benefit to a related party.

It is the view of the Directors that the proposed issue of Shares pursuant to Resolution 8 falls within the “reasonable remuneration” exception under Section 211 of the Corporations Act given the circumstances of the Company and the position held by Mr Kitto.

Accordingly, the Directors have determined not to seek Shareholder approval for the purposes of Section 208 of the Corporations Act for the issue of the Director Securities to Mr Kitto.

### **8.4 Board Recommendation**

The Directors do not consider that from an economic and commercial point of view, there are any costs or detriments, including opportunity costs or taxation consequences for the Company or benefits foregone by the Company in granting the Director Securities to Mr Kitto.

The Directors, other than Mr Paul Kitto who has a material personal interest in the outcome of Resolution 9, recommend that Shareholders vote in favour of Resolution 9 on the basis that the grant of the Director Securities will allow the Company to adequately reward Mr Paul Kitto, in his role as a Director, whilst preserving the Company’s limited cash reserves.

## Instructions for Completing 'Appointment of Proxy' Form

---

1. **(Appointing a proxy):** A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.
2. **(Direction to vote):** A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the proportion or number of votes that the proxy may exercise by writing the percentage or number of Shares next to the box marked for the relevant item of business. Where a box is not marked the proxy may vote as they choose subject to the relevant laws. Where more than one box is marked on an item the vote will be invalid on that item.
3. **(Signing instructions):**
  - **(Individual):** Where the holding is in one name, the Shareholder must sign.
  - **(Joint holding):** Where the holding is in more than one name, all of the Shareholders should sign.
  - **(Power of attorney):** If you have not already provided the power of attorney with the registry, please attach a certified photocopy of the power of attorney to this Proxy Form when you return it.
  - **(Companies):** Where the company has a sole director who is also the sole company secretary, that person must sign. Where the company (pursuant to Section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held. In addition, if a representative of a company is appointed pursuant to Section 250D of the Corporations Act to attend the Meeting, the documentation evidencing such appointment should be produced prior to admission to the Meeting. A form of a certificate evidencing the appointment may be obtained from the Company.
4. **(Attending the Meeting):** Completion of a Proxy Form will not prevent individual Shareholders from attending the Meeting in person if they wish. Where a Shareholder completes and lodges a valid Proxy Form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.
5. **(Return of Proxy Form):** To vote by proxy, please complete and sign the enclosed Proxy Form and return by:
